Dear Mr McAuley,

The Historic Monuments Council appreciates the opportunity to comment on the Final Draft of the NIEA Enforcement Policy.

Council submitted a detailed response to the phase 1 consultation on the Draft Revised NIEA Enforcement Policy (June 2009). Council recognises that the Final Draft is a clearer, simpler and more user-friendly document while clearly communicating the key policy principles and incorporating changes from the initial draft.

In this context Council would like to welcome the Policy and to wish the Agency every success in using the Policy to ensure that NIEA enforcement activities makes the best possible contribution to protecting our environment, heritage and human health and to the delivery of Agency objectives in the wider context.

Yours sincerely,
